1967 Roundtable

Volume 7

*Lake-Lehman High School
Lehman, Pennsylvania*

Foreword

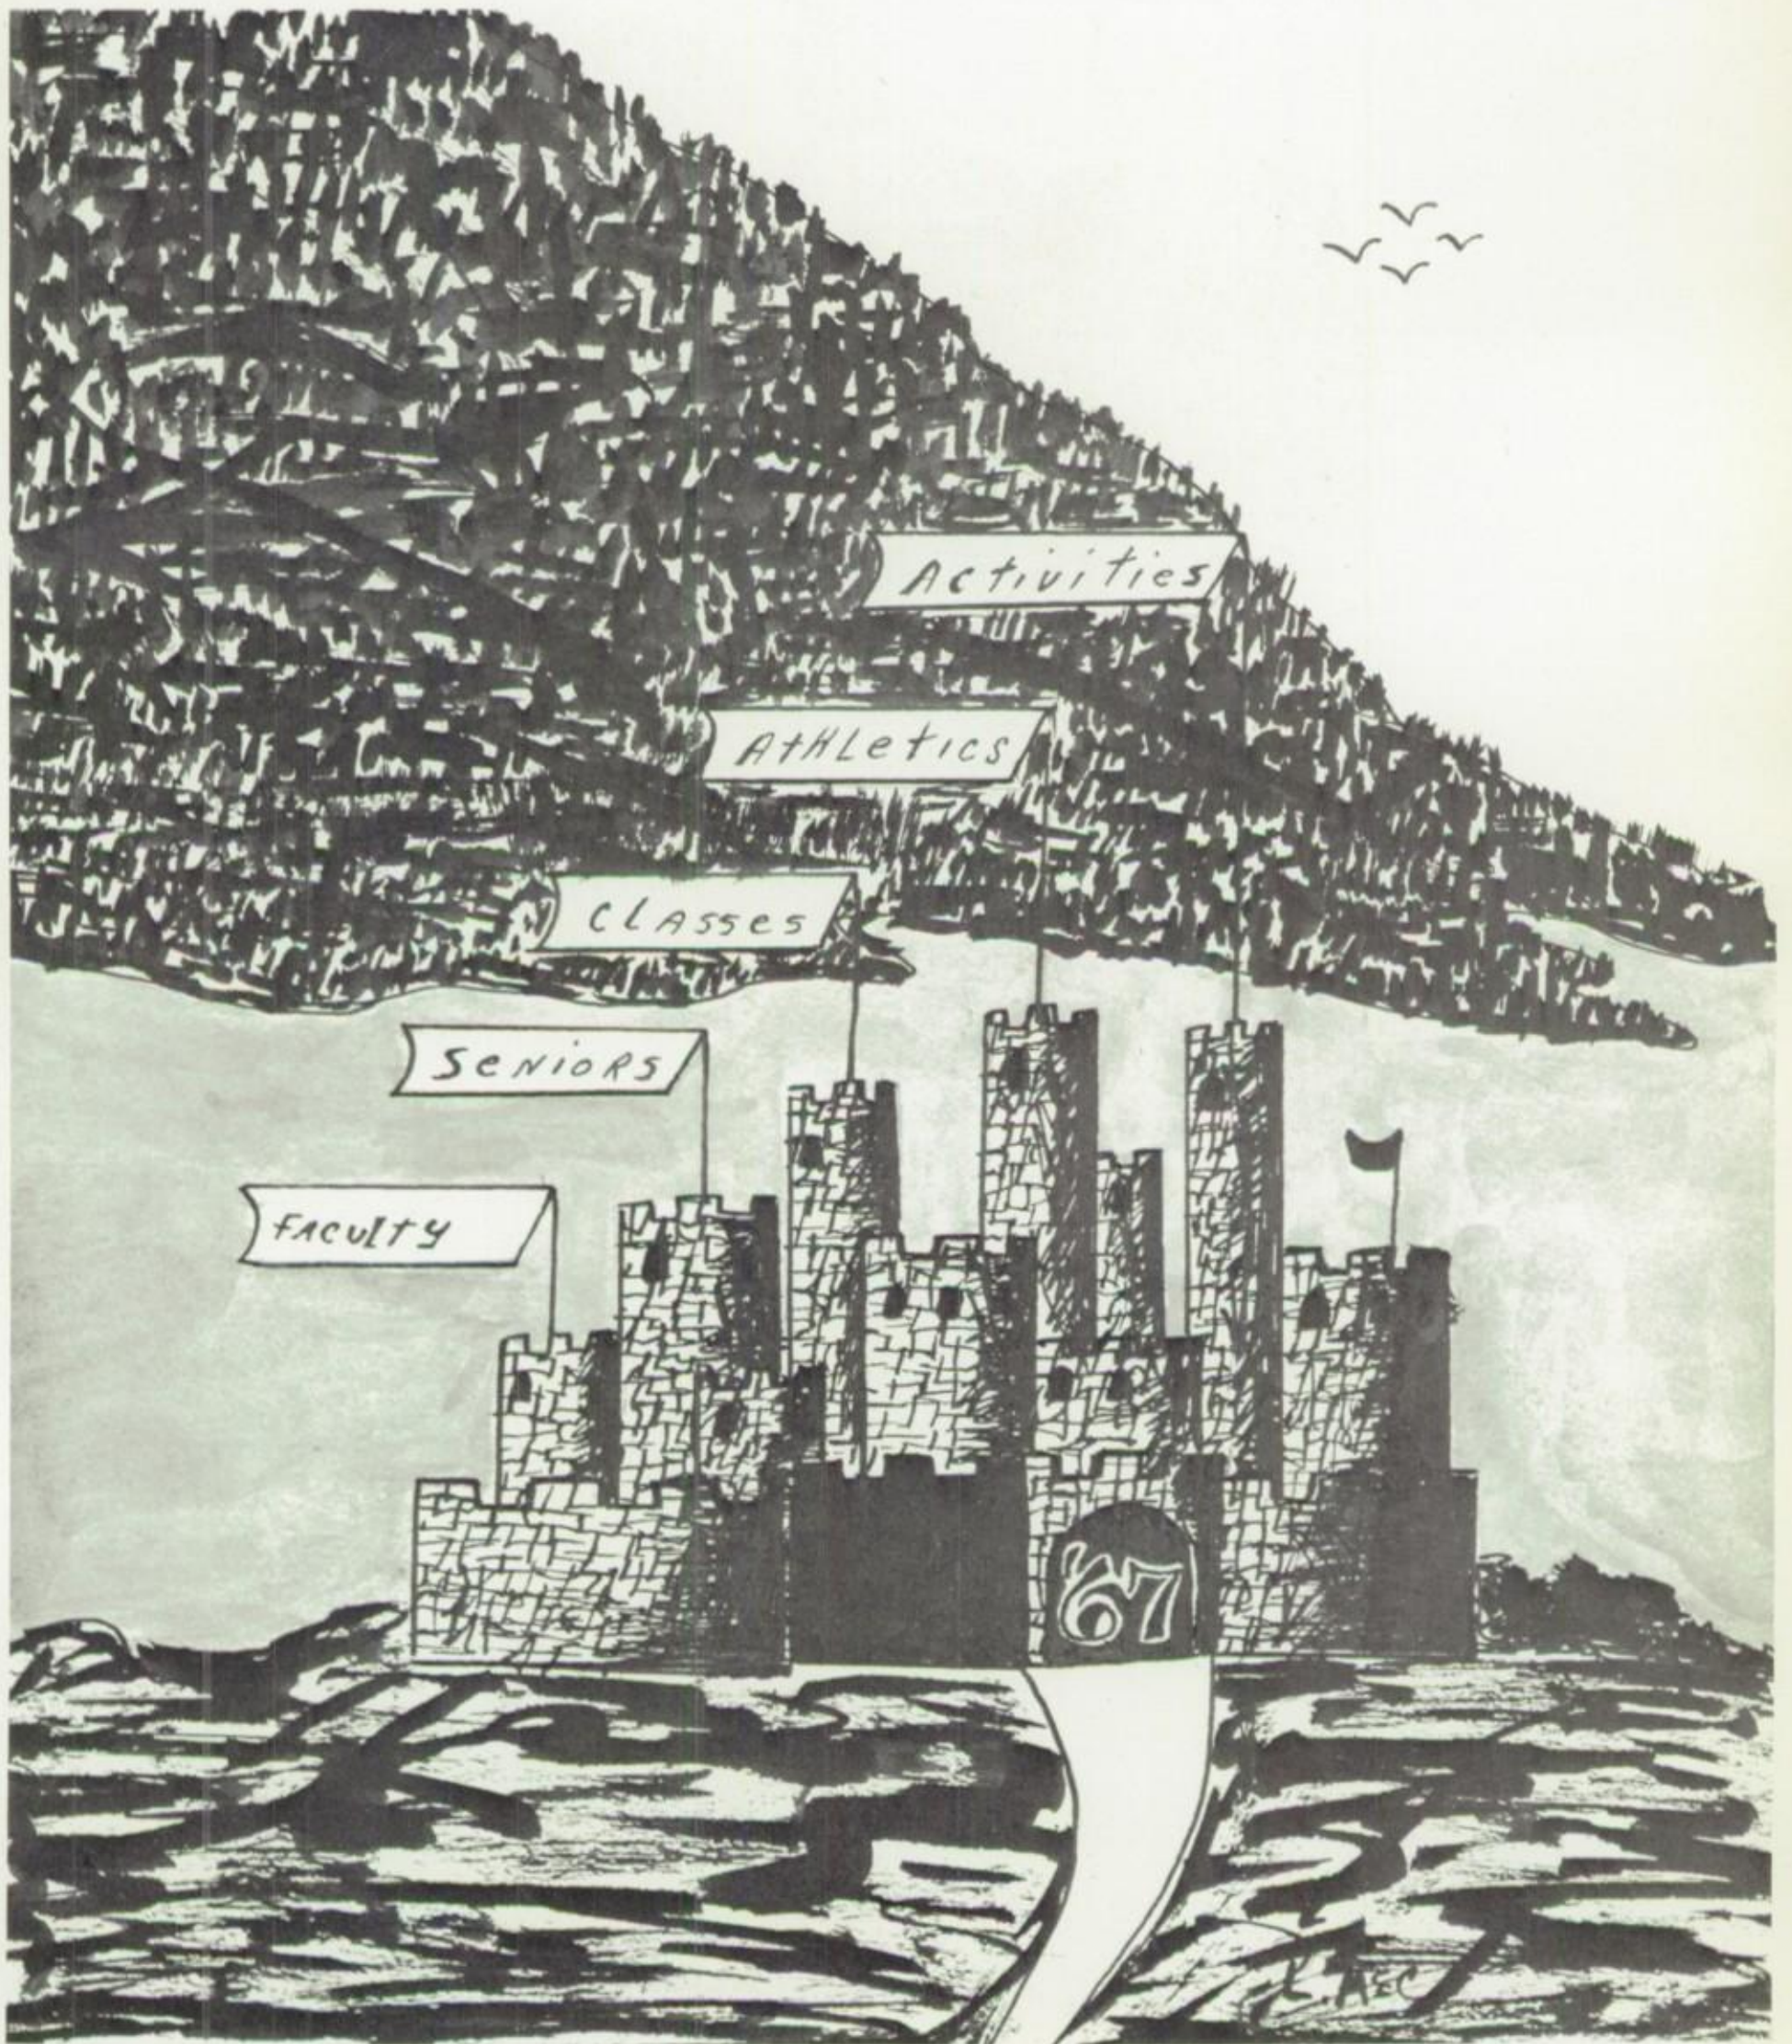

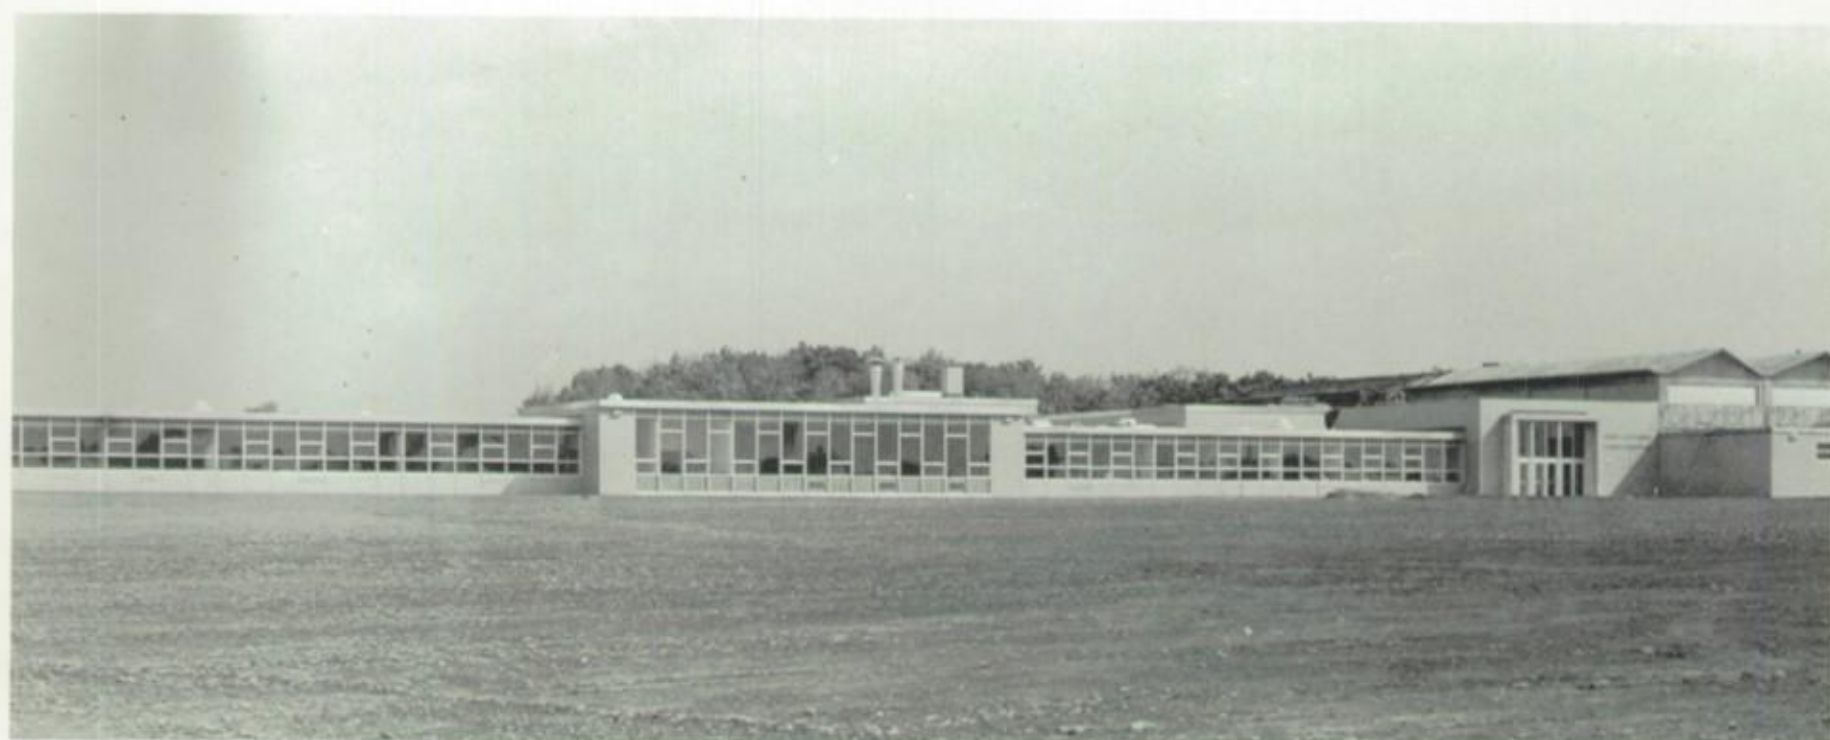

We, the 1967 graduating class of Lake-Lehman High School, have chosen each and every one of you, our teachers, as the ones most worthy of our expression of gratitude in this, our yearbook.

We realize we owe you our heartfelt thanks for your utmost confidence in the potentialities and capabilities of today's youth, and through your generous contributions toward the betterment of young men and women.

We will not permit your efforts to go unrewarded. In our later years we hope to reflect all that has been taught us, all that, in a great measure, YOU have taught us because you have made our instruction possible.

We dedicate our yearbook to you with deepest sentiments of appreciation and gratitude.

Lake-Lehman Alma Mater

With honor and pride we will ever sing of thee

Not just a song of praise, but a symphony

Lake-Lehman Alma Mater, Black and Gold your shield

Dignity and true knowledge, wisdom is your yield

We pledge now to thee, to be leaders wise and bold

Holding the standard high, of our Black and Gold.

From the Mountains and Lakes, come the students to enroll

Striving for truth until graduation's goal

Lake-Lehman Alma Mater, spirit brave and true

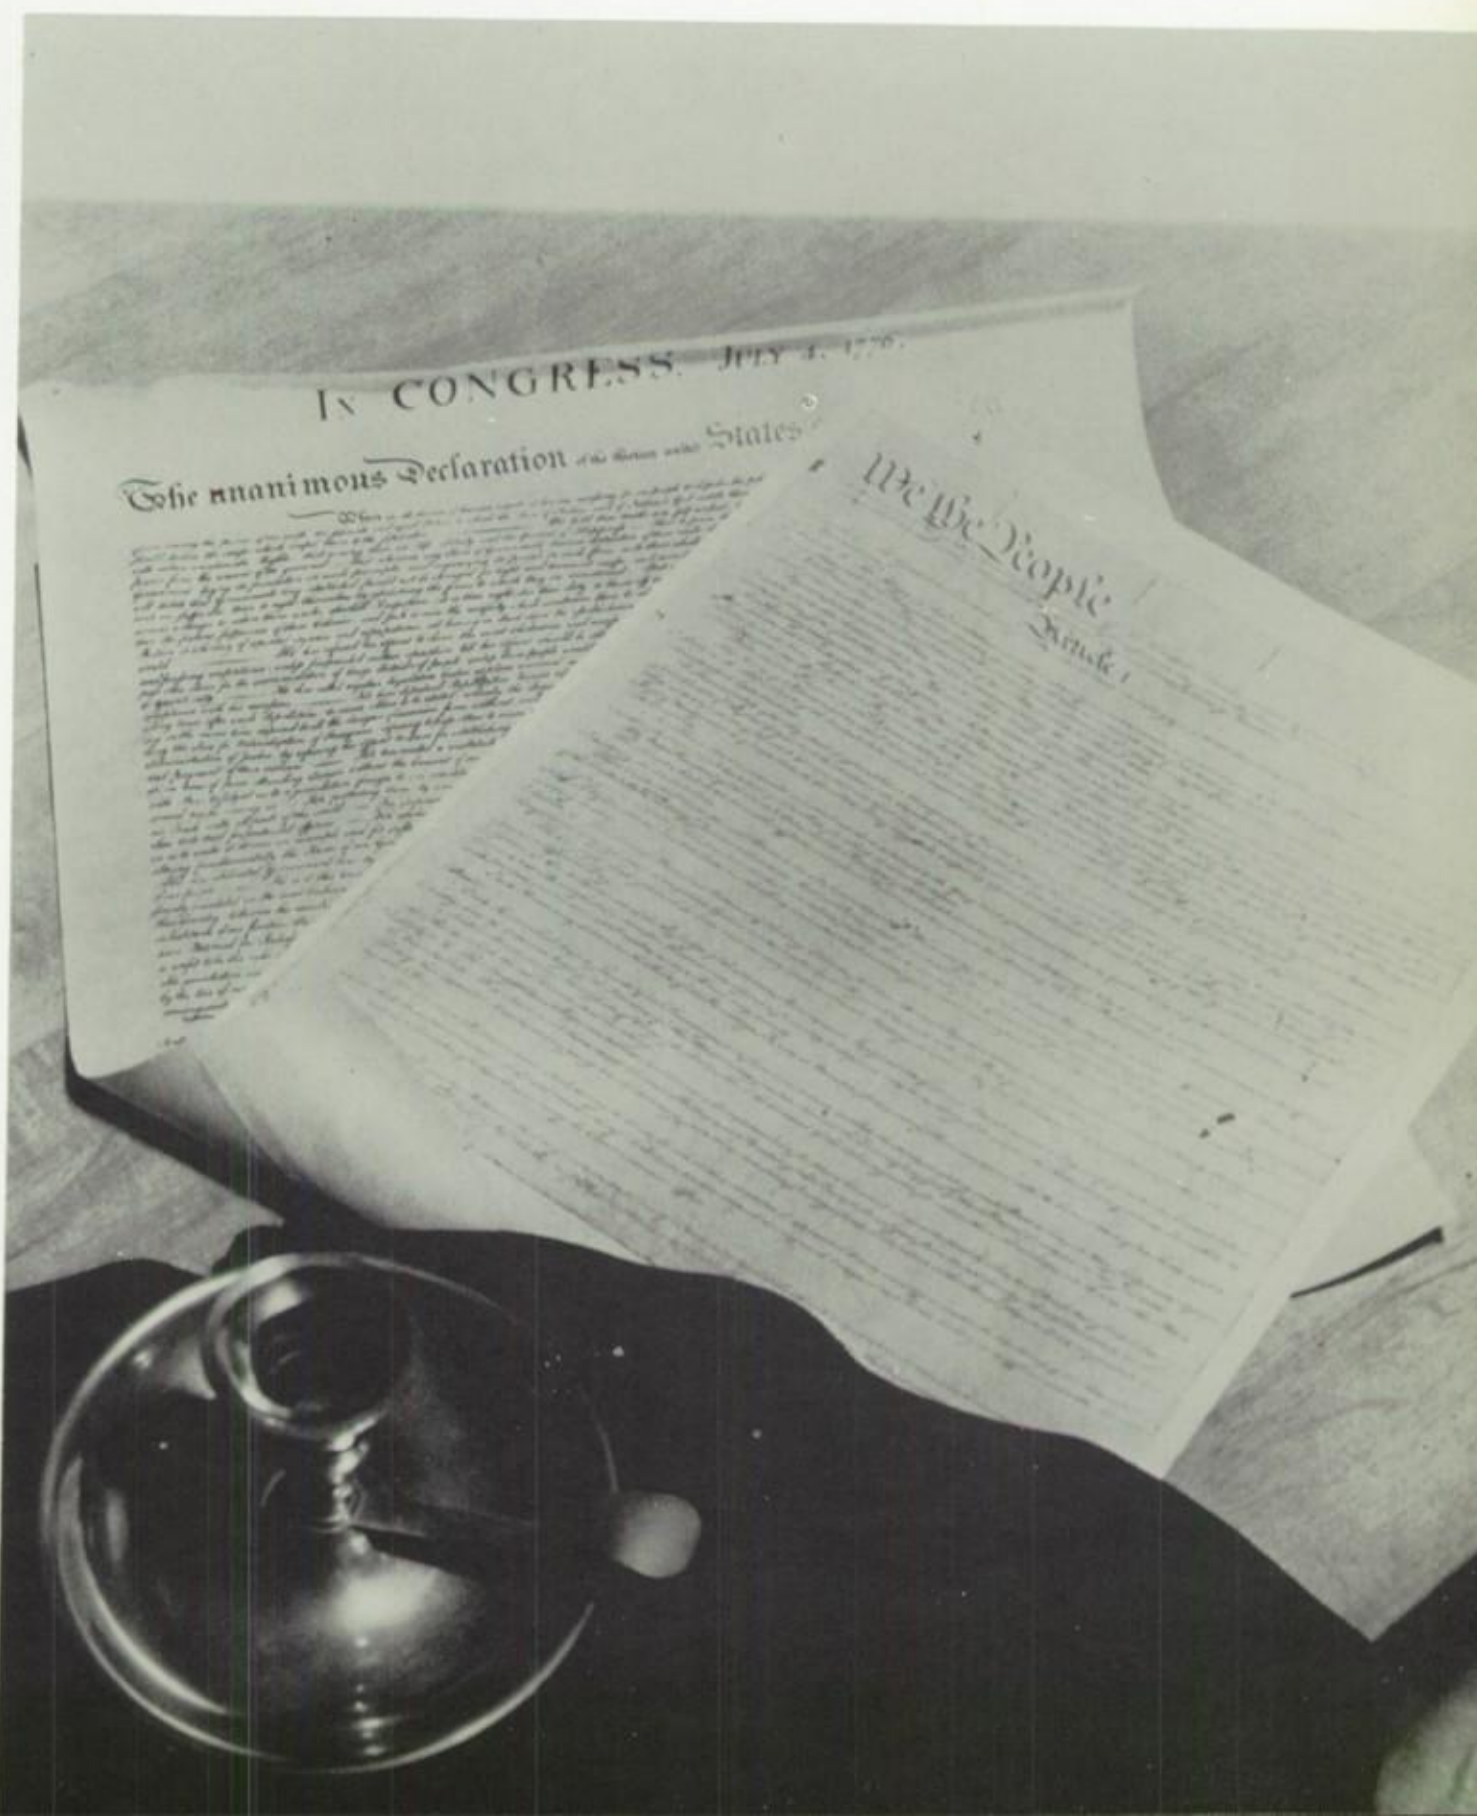

Proudly we sing our praise and gratitude to you

Each youth who has felt thy sheltering arms unfold

Holds in his heart a place just for Black and Gold.

ADMINISTRATION

In Memoriam . . .

We hold Mr. Palmer as a long-time friend, in high esteem for his unselfish devotion to Lake-Lehman High School and its student body.

Mr. Robert Z. Belles, as our supervising principal, is responsible for the efficient operation of all schools in the Lake-Lehman district.

Upon his shoulders fall the responsibility for farsighted planning and the co-ordination of the numerous personnel services involved.

MR. ROBERT Z. BELLES
Supervising Principal

Board of Education

FIRST ROW: Mr. Williams, Mr. Lammond, Mr. Sutton, Miss Humphrey, Mr. Shaver
SECOND ROW: Mr. Williams, Mr. Slimak, Mr. Patton, Mr. Adams, Mr. Lashford

"Our strength must be in excellence" might well be the motto of Mr. Marchakitus, principal of our school.

He is creative and purposeful in his pursuit of excellence for our school.

Mr. Marchakitus gives concrete meaning to the value of human dignity. He respects opinions of faculty members; he guides students in their dreams; he exemplifies the good life in community activities.

Thus, Mr. Marchakitus has infused education with creativity and purpose for this, our school and community.

Our grateful thanks to him.

MR. ANTHONY MARCHAKITUS
Principal

The assistant principal of our school, Mr. John Zaleskas, is a dedicated and industrious administrator. Among his duties are such things as: disciplining students, authorizing absences for unusual appointments, scheduling of classes for students and faculty, and solving recurring problems. He also plans some extra-curricular activities. He enjoys seeing students having fun, but at the right time and place. Always friendly and helpful, Mr. Zaleskas impresses upon students the necessity of good conduct.

We Communicate With the World

With the aim of enabling students to develop and refine their powers of communication, the English Department emphasizes in reading, writing, speaking, and listening.

Opportunities to acquire skills are provided by courses in Latin, Spanish, and German.

History Prepares for Citizenship

Courses in history give perspective to contemporary social problems. Here students examine the past as it has bearing on the future. Then, with this tool of history, students prepare to build a government "of the people, by the people, and for the people."

Future to Knowledge

Reading supplies knowledge, the most basic fact in the process of learning. For without reading the students would be unaware of the many events taking place in our great world.

DOROTHY LANDIS

EDWARD EDWARDS

Followers of Euclid Make Way for Space

Space men of the future begin their mathematical exploration in grade school, then expand their studies to include algebra, geometry and trigonometry. Each trains the student to think logically and carefully. Mathematics enables some students to launch careers in engineering and sciences; others choose basic or commercial math to enter the business world.

Science Challenges Students

Science is an important part of our age. "H₂O" and "CO₂" become well-known terms to juniors who elect to study the application of chemistry. The science of physics acquaints seniors with principles and laws of science.

Sophomores study biology, a study of plants and animals from the simplest algae to complex systems of man.

EDMUND NARKIEWICZ

JOHN ZLOTEK

Business Aspirants Gain Basic Training

For the student pursuing a career in the business world, opportunities are offered by the Business Education Department. The basic essentials of commercial training are presented to the pupils as well as the more specialized skills necessary to the operation of an efficient office.

THERESA WILK

JOHN ANDRUSIS

Homemaking Arts

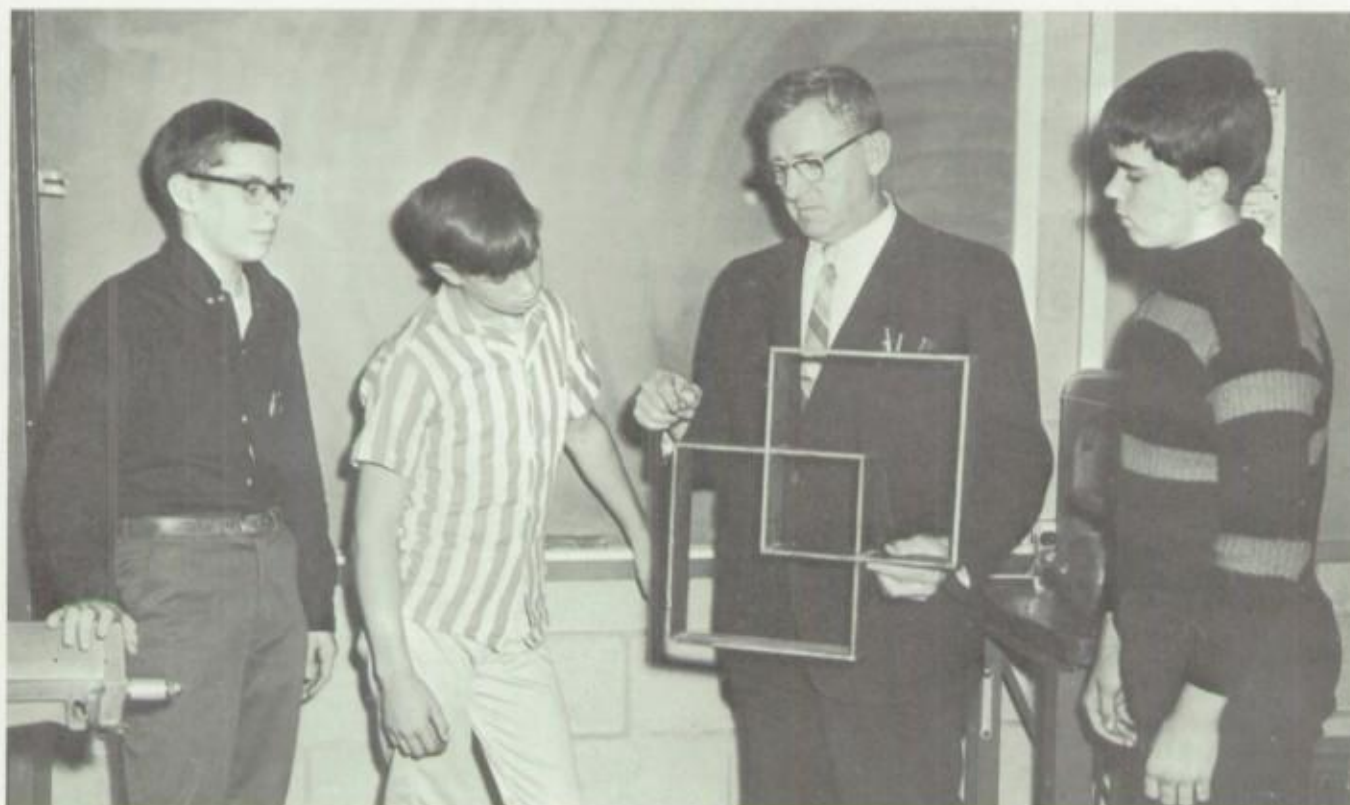

Applied skills, connected with homemaking, train girls for future careers as housewives. Training in clothing construction places the emphasis upon the use of sewing machines, selection and handling of fabrics, and use of commercial patterns. They also study nutrition, food preparation, meal planning, and table service.

Industrial Arts Develop Skills

Practical experience is acquired by students through working with the special machinery and equipment provided for their use by the school. Students plan and design individual projects.

Music and Art Embellish Life

Two glamour fields of life, music and art, occupy a prominent place in student life. A range of musical expression is represented ranging from basic appreciation to instrumental and choral participation.

The art curriculum teaches art appreciation, acquaintance with various media, commercial art, and lettering.

JANE CORNELL

JOHN MILAUSKAS

JANE MORRIS

Music - The Universal Language

Participation in the music program has been an integral part of student activities. Miss Morris, director of the choral group, leads students singing for P.T.A. programs, assemblies, and the spring concert. Mr. Milauskas, director of the prize-winning band, leads his group in playing for assemblies, as well as the annual band concert.

Physical Education Promotes Fitness

A capable Physical Education Department provides opportunities for students to perfect skills, develop physical fitness, and learn the value of fair play. Included in this department, the driver education program instructs eligible students in safe driving practices. These two programs work together to build strong, healthy teenagers and safe drivers, both invaluable to a community.

CLASS MOTTO:

What lies behind us, and what lies before us, are small matters compared with what lies within us.

CLASS SONG:

Lake-Lehman High we bid you fond adieu,
Recalling all the years we've spent with you
Sports and fun we'll cherish through our days,
In our hearts we'll carry them always
And in this hour to you, Lake-Lehman High,
We find it's time that we must say goodbye
Now, as we must leave these halls,
Mem'ries lingering in these walls,
We pause and sadly try to say,
GOODBYE, Lake-Lehman High.

Where'd it go?

Reach for the sky!

Is it going to rain?

Did you hear the latest?

I touched it!

Come on, gang, after them!

Chee-ee-ee-se!

It's my turn!

Now I got cha!

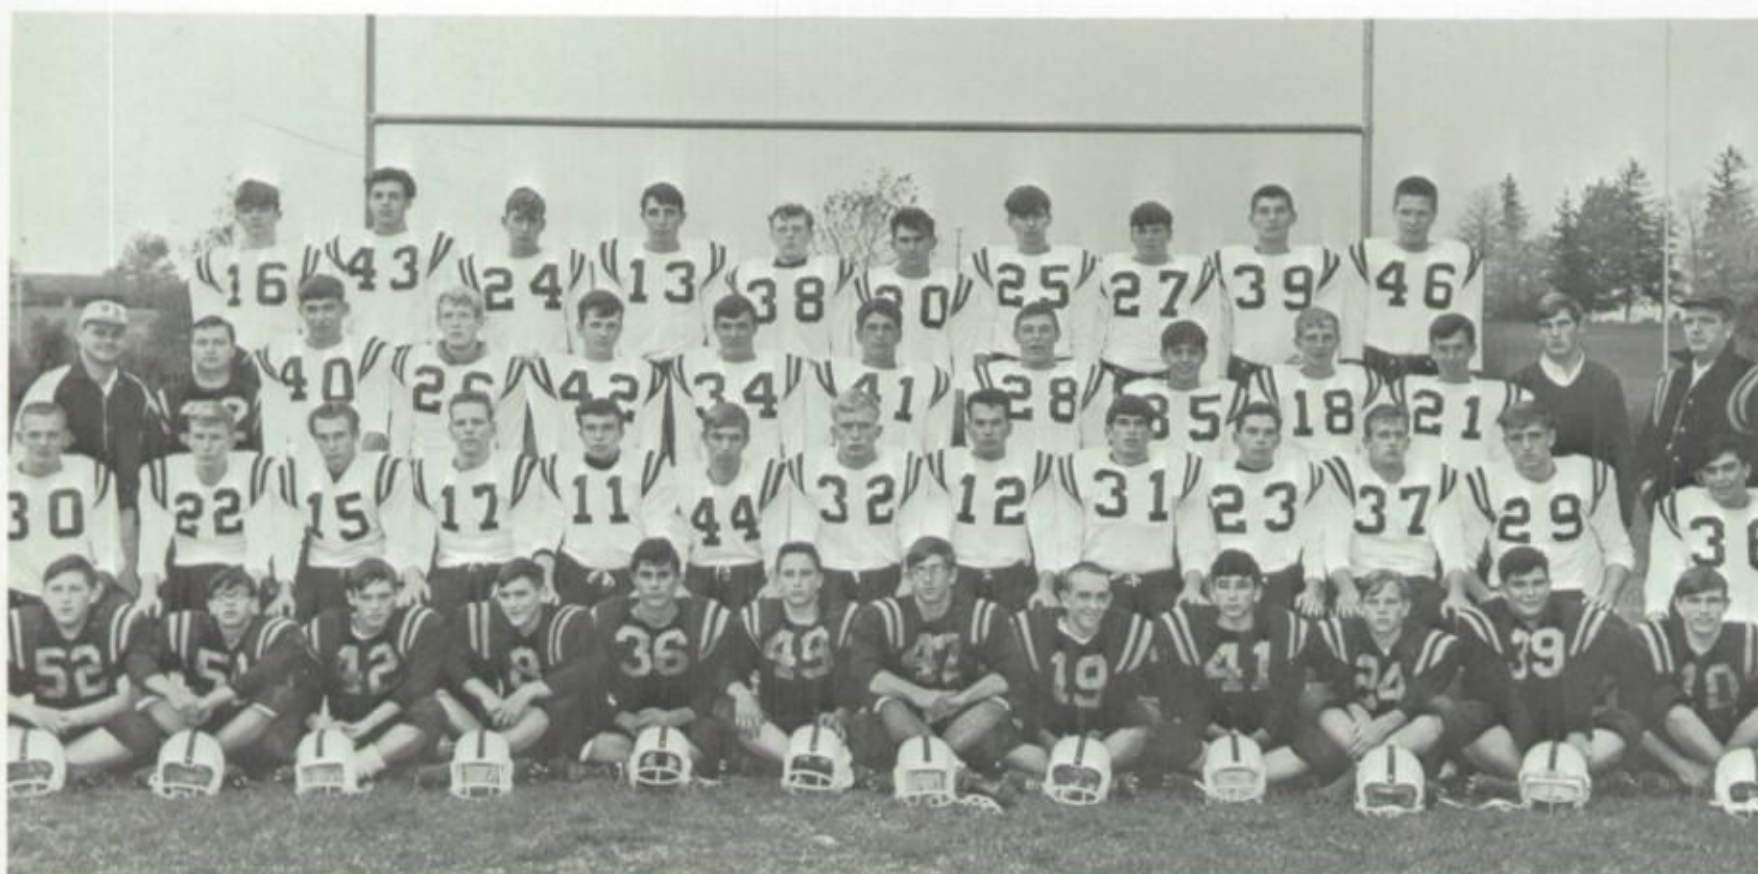

Reach high, pard 'ners!

MR. STANLEY GULBISH
Activities Director

Mr. Gulbish, our activities director, is the person who has the responsibility of setting up not only all our interscholastic events but also Lake-Lehman's own intricate club and social calendar. Those students interested in getting more out of high school than required will long remember Mr. Gulbish and his work--which made possible the enjoyment and benefits gained from extracurricular activities.

Thomas Longmore Memorials

Mrs. Martha Longmore, David, Robert, John, Mr. Marchakitus.

This year we unveiled a special plaque and trophy designed to perpetuate the memory of the late Thomas Longmore, wrestling coach at the school until his death in 1963.

Mrs. Longmore unveiled the plaque in memory of her husband. It was established to recognize students who excel in wrestling or in the classroom.

Also unveiled was the Thomas Longmore memorial trophy which will be rotated annually between the winner of the Lake-Lehman-Dallas wrestling meet.
